The Storehouse of Knowledge

Pat on the back!

Pihu Upadhyay (12)
Delhi Police Public School
Safdarjung Enclave, New Delhi

A big room with heavy wooden tables
That sat on a shiny-tiled floor,
Everyone is welcome to walk through the door,
It doesn't matter if you're rich or poor.
There are books in boxes and books on shelves,
They're free for you to borrow, so help yourselves.
On my left there are newspapers draped over,
What looked like a quilt rack,
And on my right there are magazines
Face out from the wall.
Come and meet your heroes, old and new,
From William the Conqueror to Winnie the Pooh.
There are students revising, deep in concentration,
And school kids doing projects, finding inspiration.
Are you into battles or biography?
Are you keen on Gerbils or Geography?
Gardening or Ghosts? Sharks or Science fiction?
There's something here for everyone,
Whatever be your addiction.
Open a book and you will find,
People and places of every kind.
So dear book, let me finger through your tomes,
Time-travelling, wherever your pages may take me.
The welcoming smile of my librarian,
The anticipation in my heart,
All those books just waiting at my fingertips.
Yes, come to the library! browse and borrow
And help make sure it'll still be there tomorrow.

MY BOOK MY FRIEND

Life is not easy without friends!
When it comes to books
They can be our best friends.
Good books enrich our minds,
With good thoughts and knowledge,
Just like a good friend.
By just reading books we can imagine
A new world in our surroundings,
We don't feel lonely
In the company of books.
Books written by famous and
Experienced people help us
To become a better human being,
And they also teach us
To serve the society in the best possible way.
Whenever we feel alone
We should pick up a book and start reading it.

Detective Olivia Lawson, a tenacious and determined detective known for her relentless pursuit of justice, became intrigued by the rumours surrounding the enigmatic mafia boss. Olivia's investigations led her down a treacherous path, filled with hidden dangers and unexpected alliances. As she delved deeper into Vincent's world, she discovered fragments of ancient texts and whispered legends that spoke of a power linked to shadows. I Want to Reach for the Stars

I don't know what I'll be,
But I pray to Thee,
I want to reach for the stars,
On my way I know
I'll have to bear some scars.
There is a lot to be done
I've not even begun.
I've to work so hard,
Be always on my guard.
I want to make my name,
And get all the fame.
On my own I want to reach my goal,
But not like a beggar with a bowl.
Just put your hand on my head,
And that's enough
For my wings to spread.
It's on me to go ahead,
I have no one to dread.
I don't know what I'll be,
But I pray to Thee,
I want to reach for the stars,
On my way I know,
I'll have to bear some scars.
